

INDICATIVE HIGHWAY PLANNED MAINTENANCE PROGRAMME (CANDIDATE SITES - 2026-2029)

(UPDATED 24/06/26)

Wigan
Council

This indicative forward programme is determined from Council priorities that align at Strategic Level. These include independent condition surveys, Technical Officer assessments and recognition of views received from stakeholders and public enquiries.

Although the programme represents the current assessment of priorities, it should be noted that the funding available will determine the final programme and emerging issues may need to be considered from time to time.
